

# **A UNIQUE AND COLORFUL VARIETY**

Detectors and addressable alarm devices  
in all RAL colours and any quantity

**Honeywell**

## A Unique and colorful variety

Colours are an expression of human individuality and creativity. Each room is a symbol of your style, passion and personality. In order to do justice to your tastefully furnished building, we are one of the few manufacturers to offer professional smoke/heat/multi-sensor detectors and addressable alarm devices in all RAL colours and any quantity.
